

**Press Release**  
**2.5.2016**

The Chandigarh Traffic Police is committed to providing safe, secure and hassle free environment to all the residents of the city on the city roads. In this regard, the Chandigarh Traffic Police is working very hard to effectively enforce various traffic rules and regulations in a transparent manner.

As part of this commitment, special drives are being launched by the Chandigarh Traffic Police against persons violating various traffic rules and regulations in the city. During these special drives, the entire traffic staff shall check particular specific offences the entire day, in addition to night anti drunken nakas as well as market welfare and resident welfare grievance redressal nakas. The objective of these special drives is to educate the general public regarding road safety, rather the merely challaning the offenders. The schedule of the day long special drives is as under: -
